

## 10, Roan House Way, Macclesfield, Cheshire SK11 7BY

Roan House Way is a unique development of houses and apartments which were designed by the renowned local architect Rod Hackney. It is a perfect setting for this fabulous three storey town house with an integral double garage.

The property offers spacious, well lit accommodation with the benefit of both gas fired central heating and double glazing.

On the ground floor there is an entrance hall, cloakroom, double garage, rear porch and utility room whilst to the first floor there is a lounge with a balcony, dining room and kitchen. The first floor has three bedrooms with one benefitting for an en-suite and a family bathroom.

One of the attractions of this property is the view over to Hovis Mill, that and the sunny aspect which can be fully appreciated from the balcony, an ideal place to sit, relax and enjoy the vista. Number 10 has its own parking space and there is additional visitor parking available.

Macclesfield is a thriving business centre and market town with excellent local amenities and a choice of modern leisure and sports facilities. The town is situated on the Cheshire Plain, at the edge of the Peak District National Park with its picturesque beauty and extensive walks.

Residents of Macclesfield have access to good transport links including national motorways, major roads and train networks, including the West Coast Line direct to London. Manchester International Airport is only thirteen miles away by road. Greater Manchester is within comfortable daily travelling distance and there are regular bus services to neighbouring towns.

Proceed out of Macclesfield in an easterly direction towards Buxton along the A537. Immediately after passing over the canal turn right into Roan House Way and the property can be found on the right hand side.
