

12, Pine Road, Macclesfield, Cheshire SK10 1QD

Pine Road is an exceptional location for this semi-detached family home. It is situated on a quiet residential road and has a substantial garden that backs onto the Macclesfield Canal with delightful views beyond.

Since its construction, this particular property has had 'one careful owner' and has been a well-cared-for and loved family home. However, it is now ready for its next chapter and requires a comprehensive modernisation and updating program, which has been taken into account within this attractive asking price.

On the ground floor, there is a porch, entrance hall, lounge, dining area, conservatory, and kitchen with a utility room. On the first floor, there are three bedrooms and a bathroom. uPVC double glazing and gas central heating are installed.

The property is set back behind a neat lawn and driveway, which provides off-road parking for one car and leads to a single garage. To the rear of the property, there is a garden with a super aspect fronting Macclesfield Canal and beyond.

Macclesfield is a thriving business centre and market town with excellent local amenities and a choice of modern leisure and sports facilities. The town is situated on the Cheshire Plain, at the edge of the Peak District National Park with its picturesque beauty and extensive walks.

Residents of Macclesfield have access to good transport links including national motorways, major roads and train networks, including the West Coast Line direct to London. Manchester International Airport is only thirteen miles away by road. Greater Manchester is within comfortable daily travelling distance and there are regular bus services to neighbouring towns.
