This two bedroom apartment forms part of an attractive and historical building that dates back to 1873 and originally served as a Methodist Chapel. Converted in 2007, the accommodation is well-planned and is situated a stones-throw from Macclesfield town centre with South Park also being within walking distance.

This is not shared ownership or shared equity, this is a scheme to assist buyers on the property ladder. Prospective buyers can determine if they are eligible by accessing the Cheshire East website.
