

6, Turnock Street, Macclesfield, Cheshire SK11 7AP

Within walking distance of the town centre, this three bedroom mid terrace property provides comfortable family accommodation and is available to the market with no chain.

Warmed by gas-fired central heating, with uPVC double glazing, the property, although having been well maintained over the years, is now at the stage whereby it would benefit from updating and modernisation throughout, which is reflected in this attractive asking price. In brief, the accommodation comprises an entrance hall, a lounge, a kitchen and a utility room on the ground floor and three bedrooms and a bathroom on the first floor.

There is off-road parking to the front of the property, whilst to the rear there are fully enclosed gardens which are primarily laid to lawn with a paved patio and mature beds and borders.

From the station, proceed along Sunderland Street in the direction of Park Green. Take the first main turning on the left hand side into Brook Street. Continue across the Silk Road, taking the second turning into Turnock Street, where the property can be found on the right hand side.
