Newtown Chapel is a stunning building with a prominent location close to the centre of town. It was converted in 2007 into a number of high quality apartments and was sold under the Council discount scheme. It is this discount (20%), which is passed on to all future buyers, which makes this apartment so attractive. This is not shared ownership or shared equity, this is a scheme to assist buyers on the property ladder. Prospective buyers can determine if they are eligible by accessing the Cheshire East website.
