

267, Buxton Road, Macclesfield, Cheshire SK11 7ET

Buxton Road is renowned for its attractive period homes, and this delightful property is no exception. Retaining much of its original character from the time of construction, this semi-detached home has been exquisitely renovated by the current owners. The result is a stunning residence that beautifully blends timeless elegance with contemporary style and class.

In brief the accommodation comprises an entrance hall, lounge, dining room, kitchen/ breakfast room on the ground floor. To the lower ground floor there is an impressive family room with a bi-folding door onto the garden as well as W.C., creating that all important additional living. The first floor has three bedrooms and a family bathroom with roll top bath and separate shower. The property is well presented throughout with quality fittings and is warmed by gas fired central heating complimented by uPVC double glazing.

To the rear, the property boasts a charming garden, mainly laid to lawn with well-stocked borders, a patio, and a decked area perfectly positioned to catch the sun..

Situated just above the canal, the home enjoys a fabulous location with a delightful row of local shops nearby, including two coffee shops, a bakery, and a pizza bar. It's also just a short walk from the town centre and lies conveniently on the route to the scenic Tegg's Nose Country Park.

Macclesfield is a thriving business centre and market town with excellent local amenities and a choice of modern leisure and sports facilities. The town is situated on the Cheshire Plain, at the edge of the Peak District National Park with its picturesque beauty and extensive walks.

Residents of Macclesfield have access to good transport links including national motorways, major roads and train networks, including the West Coast Line direct to London. Manchester International Airport is only thirteen miles away by road. Greater Manchester is within comfortable daily travelling distance and there are regular bus services to neighbouring towns.

Proceed from our office towards the railway station, turning left onto Sunderland Street. Proceed under the railway bridge into Buxton Road and the property can be found after a short drive on the left hand side shortly after the turn for Barracks Lane.

Outside

Garden

The property is attractively framed by a brick-built dwarf wall and iron gate, with a paved pathway leading to the front door. To the rear, the enclosed garden is bordered by a combination of hedging, walling, and fencing, providing both privacy and charm. It features a stone-flagged patio, a well-maintained lawn with planted borders, and a decked seating area positioned at the rear boundary to make the most of the sunshine. A set of stone-flagged steps leads up to the kitchen and also provides access from the rear to the front of the property. The garden is primarily accessed via the Family Room, enhancing the indoor-outdoor connection.
