

4, Birchinal Close, Macclesfield, Cheshire SK11 8QS

This three bedroom semi detached property is well placed in a quiet cul-de-sac. Having been a proud home over the years and having benefited from a new kitchen and bathroom in more recent years this is a lovely home, although it may benefit from some updating.

In brief the accommodation comprises an entrance hall, lounge, dining room, kitchen, cloakroom and a sun room with patio doors onto the garden. To the first floor there are three bedrooms and a bathroom. The property is warmed with gas central heating and uPVC double glazing is installed.

The property is set behind a block paved drive and gravel garden. To the rear of the property there is a workshop/garage with power and a fully enclosed garden with a sunny westerly aspect.

Macclesfield is a thriving business centre and market town with excellent local amenities and a choice of modern leisure and sports facilities. The town is situated on the Cheshire Plain, at the edge of the Peak District National Park with its picturesque beauty and extensive walks.

Residents of Macclesfield have access to good transport links including national motorways, major roads and train networks, including the West Coast Line direct to London. Manchester International Airport is only thirteen miles away by road. Greater Manchester is within comfortable daily travelling distance and there are regular bus services to neighbouring towns.
