Trading Places welcomes to the market this three-bedroom semi-detached home offers great potential for buyers looking to modernise and make a property their own.

The ground floor features two spacious reception rooms and a separate kitchen, providing a flexible layout ideal for family living or entertaining. Upstairs, the property offers two generous double bedrooms, a single box room—perfect as a home office or nursery—and a family bathroom.

Outside, there is a rear garden, a shared driveway, and a detached garage offering useful storage or parking.

Well positioned for access to excellent transport links into Manchester city centre and beyond, the home is also close to a range of local primary and secondary schools, making it a practical choice for families.

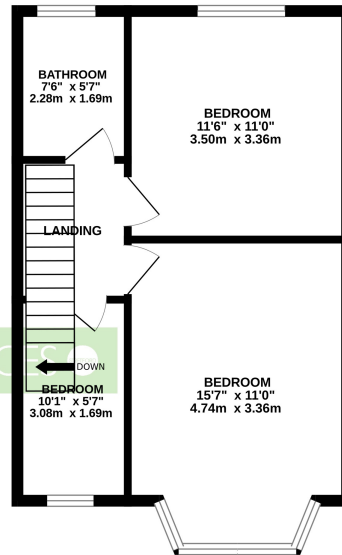

While the property would benefit from modernisation, it represents a fantastic opportunity to create a comfortable home in a well-connected and desirable location.
