Norway Street, Stretford, M32 OJN

On the ground floor, you'll find two generously sized reception rooms that are open to each other, creating a bright and sociable living space. From here, a doorway leads into a well-appointed spacious kitchen, featuring a range of wall and base units, an integrated five-ring gas hob, oven/grill, extractor, and a sleek in-counter stainless steel sink. There is also a practical understairs storage cupboard and a convenient side door that opens onto the courtyard.

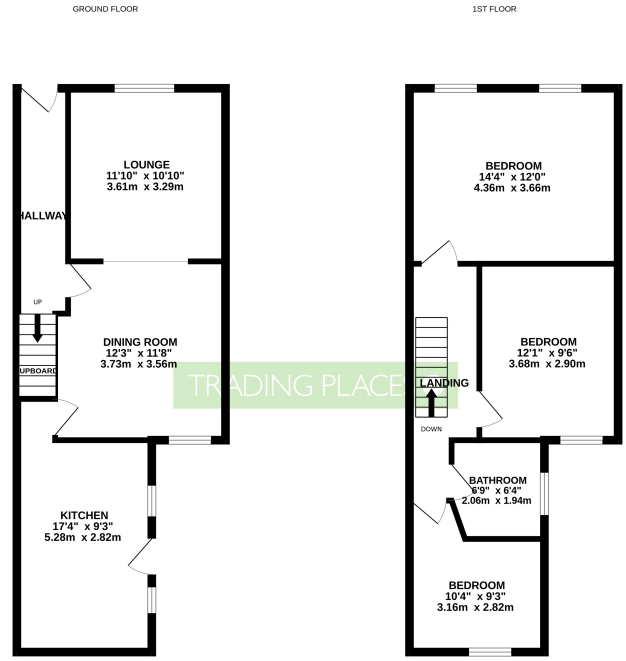

Upstairs, the accommodation continues with three bedrooms. The main bedroom, located at the front of the property has two windows that flood the room with natural light. The second bedroom is another comfortable double and includes access to a fully boarded loft, ideal for additional storage. The third bedroom is currently used as a two-person office but would also work well as a guest room or nursery.

The modern family bathroom features a stylish P-shaped bath with an overhead rainfall shower and detachable head, a contemporary vanity sink unit, and a heated towel radiator for added comfort.

Outside, the south-east facing courtyard garden offers a lovely space to relax, complete with a decked seating area. There's also access to a brick-built outhouse, currently used as a utility and storage area.

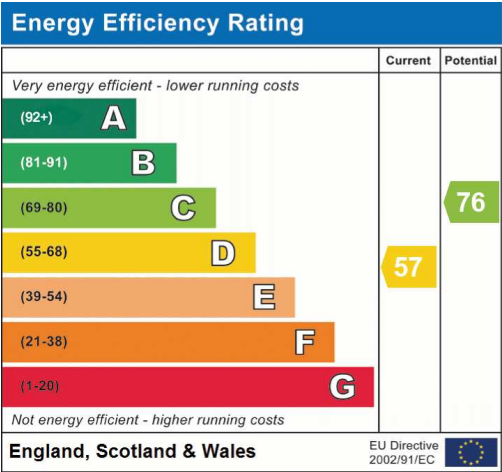

Whilst every attempt has been made to ensure the accuracy of the floorplan contained herein, measurements of areas, volumes, rooms and any other items are approximate and responsibility is taken for any error, omission or misstatement. This plan is for illustrative purposes only and should be used as such by any prospective purchaser. The services, systems and appliances shown have not been tested and no guarantee is made as to their operability or efficiency can be given.
