Luxury retirement apartments in an idyllic, yet convenient location

MACC Retirement is delighted to present Watermead View, a contemporary development of 30 one- and two-bedroom private apartments offering a vibrant new community exclusively for the over 55s.

All images throughout this brochure are artist's impression; actual may vary.

Offering expansive views over beautiful Watermead Country Park, this stunning development offers the very best of both worlds - the tranquillity of nature at its finest, plus all the on-site facilities and local amenities you need to make later life easy.

Modern and maintenance-free, our spacious, high-specification private apartments are safe and secure -

stress-free havens for those ready to downsize and make life a little easier or perfectly suited for active, 'lock up and leave' retirement lifestyles.

Watermead View is only minutes away from Leicester city centre, making everything from shopping and eating out, to arts and culture, entertainment and great transport links all within easy reach.

Each generously-proportioned one- and two-bedroom apartment offers stunning views, plenty of natural light and quality fixtures and fittings throughout, ready for you to move in and personalise.

Some apartments feature balconies or offer direct access to terraces and outside space.

For anyone looking ahead – or couples with differing health and care needs – it may be reassuring to know that Watermead Rose, a luxury MACC Care home offering professional nursing, residential, respite, dementia and bariatric care is located next door.

Close proximity means peace of mind – if a little extra help is needed in years to come, care and support services will be easily accessible and can be purchased to suit.

Live later life in luxury

A sense of community

“It’s like living in a five-star hotel – it’s lovely.”

MACC Retirement apartment owner

With Watermead View, residents can look forward to fun, friendships and an active social scene, with as much or as little involvement as they wish. No one need ever feel isolated – there’s always someone to chat to over a coffee, yet no compromise to privacy and independence.

MACC Retirement takes great pride in developing high quality retirement complexes in superb locations, for those ready to downsize, make life a little easier and live the fulfilling and happy retirement lifestyle they choose.
