Church's Factory Duke Street
Northampton

Property Description

We are delighted to present this exquisite two-bedroom apartment nestled in a beautiful factory conversion that once housed Church's shoe factory. This exceptional property offers a unique blend of history and modern comfort.

Church's, renowned for its handcrafted footwear, was founded in 1873 in Northampton. Its roots, however, stretch back to the 17th century with Stone Church, a master shoemaker born in 1675. During World War II, Church's diverted its production to military footwear, supplying boots and shoes to the British Army, Royal Navy, and RAF pilots.

This stunning apartment is conveniently located just 1 mile from Northampton train station and 0.6 miles from the vibrant Northampton town center.

This exceptional apartment is a rare find, combining historical significance with modern living. It is perfect for professionals, couples, or investors seeking a unique and stylish home.
