Lower School Lane
Blandford St. Mary Blandford Forum

Property Description

Location:

Blandford St Mary is a village just outside the larger town of Blandford Forum, it dates back to at least the Domesday Book, featuring a medieval church, and later, the prominent Hall & Woodhouse brewery, a notable example of Victorian industrial architecture. The village has since expanded beyond its historic core with modern residential developments of which "Honeysuckle Cottage" forms part of. Its past is marked by both its agricultural ties and the local industrial activities, such as brewing, gloving, and brickmaking, that were present in the 19th century. Today it is a popular residential area, close to the countryside and within walking distance of Blandford Town Centre.
