Seller's Comments

We bought this lovely three-bedroom home to bring up our new born, and it has been the perfect place to make our first family memories. We are now looking for a larger property, but we will truly miss this perfect home. One of our favourite things has been waking up to the most beautiful sunrise views from the Juliet balcony in the main bedroom, and ending the day watching stunning sunsets from the living room bay window. Completely surrounded by greenery and privacy all around the massive windows, it's a home filled with light, warmth, and special moments.
