

Property Description

Connells are happy to bring to the market a two bedroom detached Bungalow. The property is nicely positioned within the nature reserve directly in front and perfect for walks to the beach. The property benefits from double glazing & gas central heating, with the added advantage of photovoltaic panels on the roof that the vendor informs us they currently generate an approx £600 PA. There is allocated off road parking and garage.

Steps lead up to a south-facing front garden which is laid to lawn with beautiful views across the nature reserve and to the sea. The double glazed entrance porch leads to a light-filled hallway.

The kitchen leads to a conservatory space with heating overlooking the rear garden. As well as being light filled throughout the day, the conservatory catches the morning sun, making it a great spot for breakfast or a morning coffee.
