Property Description

Connells are delighted to bring to the market this rare and beautifully preserved example of a mid-century 5 bed courtyard house in the heart of Stony Stratford.

Designed by Derek Walker, Chief architect of Milton Keynes Development Cooperation (MKDC) . This masterfully arranged, three storey terrace house offers a fine example 1970's architecture. Set in a terrace of 5 house, this Grade II listed property is an integral part of the now iconic Cofferdge Close. With its floor to ceiling glass rooms, this property is remarkably flooded with natural light and offers a wealth of accommodation over three floors and presents a rare opportunity to own part of Stony Stratford's rich history.

Stony Stratford is a picturesque market town at the Northwest corner of Milton Keynes and is affectionately known as 'The Jewel in the Crown of Milton Keynes'. The many historical buildings, pubs, restaurants, and specialist shops attract visitors from some distance and the outskirts of the town benefit from attractive countryside and parkland with lovely riverside walks.

Junction 14 of the M1 motorway is approx 9 miles and Milton Keynes Central Railway Station is around 5 miles away. The nearest railway station is Wolverton, approx 2.5 miles, for services to London Euston, Bletchley, Milton Keynes, Northampton, Birmingham. Milton Keynes railway station, (on the same line), is the nearest station for access to fast trains to London, intercity and cross country.
