****PART EXCHANGE AVAILABLE ON THIS PROPERTY****

Built by McCarthy and Stone, a very well known developer across the UK, this one double bedroom first floor apartment has been specified and designed for luxury living.

The generous living room is a real treat and provides ample space for a sofa suite and dining room furniture. With direct access to the kitchen entertaining friends and family when they come to visit will never be an issue.

You will be incredibly impressed by the four piece bathroom suite that works as a walk in wet room and the bedroom is an impressive size and has fitted wardrobes.

Outside there is a lovely well looked after landscaped communal garden and residents parking, as well as internal scooter storage area with an external door that you can drive straight into!

Unlike other assisted living homes, this offers so much more, such as a restaurant for residents, offering lunch everyday of the year, which is incredibly handy and allows a great opportunity to socialize with the other residents.

Also once a week there is someone to come round and help you with domestic chores, you really do get pampered here!

There is 24-hour cover which is provided by the estate managers on site and there is always someone here to help quickly if you have a problem.

The property is also situated within a short distance of a bus stop, Redhill town centre and mainline train station.
