Hello Lilly-Francesca,

We are happy to proceed and agree to the version 0001. They look fabulous.

Kind regards

Good morning, Lindsay,

Please find attached the details we have created for the property that require your sign-off for us to start marketing.

This is not the brochure that we will use directly for marketing; it is a version that holds all available information. Therefore, once you have agreed to this version, we will be able to update details online using any information within this brochure without having to gain further signoffs.

This means that the attached document may have some blank sections/pages, but this is not how your property will appear online.

Please see the link below for the Matterport virtual tour.

If there is anything you would like to add or remove in the description, please let me know and I can get that done for you. If you are happy with everything within this version, **could I please ask that you reply to this email stating that you agree to us using version 0001 for marketing purposes.**

Please note: We will not launch the property online until you let us know you are ready – we just want to go through the details in advance, so we are prepared.

Best wishes,
