Situated in a popular residential road, this four-bedroom detached family home backs onto National Trust Land and is being sold with no onward chain.

The property requires modernisation yet has had double glazing renewed and wiring around 10 years ago, as well as new radiators around 8 years ago.

There is a good size living room which opens into the dining area, a dated kitchen with access to the rear, and completing the ground floor is a cloakroom.

Upstairs, there are four well-proportioned bedrooms and a family bathroom.

To the front, there is driveway parking leading to the garage and to the rear, there is a large rear garden - mainly laid to lawn and backing on to National Trust land.

This property would benefit from a large rear extension - as many have done on the road already.
