### Conditions Of The Sale

#### CONDITIONS OF SALE

The Conditions of Sale will be deposited at the  
offices of the auctioneers and vendor's solicitors  
seven days prior to sale and the purchaser shall be  
deemed to have knowledge of the same whether  
inspected or not. Any questions relating to them  
must be raised prior to the auction. Prospective  
purchasers are advised to check with the auctioneers  
before the sale that the property is neither sold nor  
withdrawn. The purchaser will also be deemed to  
have read and understood the auction conduct notes  
printed within the sale catalogue.

### Health & Safety For Viewers

#### Health & Safety Advice for Property Viewers.

Whilst the auctioneers make every effort to ensure  
the safety and security of viewers at lots, we have not  
carried out a detailed Health & Safety inspection of  
the lots in our auction and cannot therefore  
guarantee the safety and security of viewers. All  
persons attend properties entirely at their own risk.  
Particular care should be taken when accessing  
cellars, attics, exterior grounds, outbuildings and  
boundaries. All unaccompanied inspections of vacant  
sites should be made in daylight hours only and  
entry into such sites is entirely at the viewers' risk.

### Guide And Reserve Prices

#### \*Guide and Reserve Prices

Guide Price: An indication of the seller's current  
minimum acceptable price at auction. The guide  
price or range of guide prices is given to assist  
consumers in deciding whether or not to pursue a  
purchase. It is usual, but not always the case that a  
provisional reserve range is agreed between the  
seller and the auctioneer at the start of marketing. As  
the reserve is not fixed at this stage and can be  
adjusted by the seller at any time up to the day of  
the auction in the light of interest shown during the  
marketing period, a guide price is issued. This guide  
price can be shown in the form of a minimum and  
maximum price range within which an acceptable  
sale price (reserve) would fall, or as a single price  
figure within 10% of which the minimum acceptable  
price (reserve) would fall. A guide price is different to  
a reserve price (see separate definition). Both the  
guide price and the reserve price can be subject to  
change up to and including the day of the auction.

### Note

The auctioneers offer four ways to bid including  
internet, telephone, proxy, and live room bidding.  
Prospective purchasers will need to register to bid  
and pay a holding deposit before the sale  
commences by registering at Barnard Marcus

Auctions website. We do not take credit card or cash  
deposits. The sale of each lot is subject to a  
documentation charge of £1,500 (including vat)  
payable on the fall of the hammer.  
Guidance notes are set out in the catalogue in  
relation to auction lots, particularly from a  
purchasing perspective.
