A COLLABORATION BETWEEN MOUNT ANVIL AND PEABODY

With Peabody's rich heritage and Mount Anvil's reputation for unparalleled taste and workmanship, One Clapham is set to become a remarkable testament to their collaboration.

Peabody creates great places where people want to live, adding value by upholding high design standards, building sustainable, high-quality new homes that stand the test of time and making a positive difference through ongoing commitment to our communities.

BUILDING HISTORY

Formed over 160 years ago by the American financier and philanthropist George Peabody, Peabody is one of the UK's oldest and largest housing associations. Together with Catalyst Housing who joined the Group in 2022, we are responsible for more than 104,000 homes across London and the Home Counties.

STRONG GROWTH

With a growing pipeline, Peabody continues to invest in building quality new homes with high design standards. We create homes in great locations which are safe, easy to maintain and long-lasting. Peabody delivers long-term returns on investment. With an asset base of £8.3bn, Peabody is well placed to build thousands more top quality, well-maintained homes each year.

QUALITY DESIGN & SUSTAINABILITY

Peabody's reputation is one of the most respected in the housing industry, renowned for high quality, innovative design. We work with industry experts and continually monitor quality throughout the design, procurement and development process. We aim to make a positive impact on climate change for our residents, communities and the environment, with an ambition to achieve net zero carbon in our new and existing homes by 2050.

CUSTOMER FOCUS

Over 90% of customers said they would recommend Peabody. Our customers' feedback helps shape the design of our homes and community services based on the needs of each neighbourhood. We value our customers and listen to what they have to tell us. Peabody is proud to have achieved 'Gold' in the independent customer satisfaction awards three years in a row.

SOCIAL IMPACT

In line with our social purpose, Peabody re-invests its surplus to provide more homes and services. We deliver services to 220,000 residents, supporting customers and the wider communities in which we work. We focus on those who need our help the most, working with people and communities to build resilience and promote wellbeing. We invest around £11m each year through our Community Foundation, to support people to be healthier, wealthier and happier.

AWARD WINNING

In recent years, Peabody has been recognised and awarded more than 60 prestigious awards, including the Sunday Times 'Home builder of the Year' and the Grand Prix award at the Evening Standard New Homes Awards. We also work with award winning partners who share our values, high design standards and focus on great customer experience.

LONDON SPECIALISTS

We've spent over 30 years focused on London, creating outstanding places where people can thrive. Focus means we can commit, we can do that bit extra, so we can spend more time designing, refining and delivering homes people love, in places they want to live.

POSITIVE PARTNERSHIPS

Our business is based on repeat partnerships that put person, place and planet first. By jointly working with our partners, we can amplify the positive impact of the places and homes we co-create, delivering a healthy, low carbon and prosperous future for London.

OUR TEAM

90% of our people are also shareholders in our business, so there's more pride poured into every project. And with our Project Directors having, on average, more than 25 years' experience each, your home is in safe, reassuring hands.

CRAFTED NOT COOKIE CUTTER

No two Mount Anvil developments are the same. Yes, you'll see Mount Anvil hallmarks such as clean, uncluttered elevations, vibrant public realm, and mechanical equipment hidden in the basement rather than on the roof. However, each of our developments are individualised, to fit the community they're in.

CUSTOMER FOCUS

At Mount Anvil, we're committed to making your home buying experience as effortless as possible. Your personal Customer Experience Manager will be there to answer anything and everything you ask about your new home. This focus on customer satisfaction is why 97% of our customers would recommend us to family and friends.

AWARD WINNING

The ultimate accolades for us are happy customers, who want to keep coming back to Mount Anvil. But we aren't averse to the industry celebrating us either. We have won awards for our design, culture, partnerships, health and safety, customer care and sustainability.
