

Little London Lane, Northwold, Thetford, IP26 5NH

welcome to

Little London Lane, Northwold, Thetford

In a gorgeous SEMI-RURAL LOCATION, this expansive family home is truly spectacular! With CHARACTER FEATURES being cleverly retained throughout, a country style kitchen with adjoining UTILITY ROOM, ground floor shower room & first floor bathroom, cosy lounge plus a STUDY & a STUNNING PLOT to boot!

Summary

Nestled down a charming country lane towards the edge of the peaceful and extremely sought after Norfolk village of Northwold, which has easy access to the local market towns of Brandon and Downham Market, both of which offer a wide range of amenities, including main train lines with direct links to Norwich, Cambridge and London King's Cross, is this lovely and spacious detached family home, which has masses of kerb appeal.

The property initially offers a great sized frontage with an in and out driveway with space for multiple cars and lapsed planning for a double garage, meaning the space can easily be adapted to suit needs right from the off! And, with the expansive rear garden, there is huge scope there too!

Stepping in through the oak porch, you'll immediately notice the sense of charm and character that this property holds through the cleverly retained character features and, initially, there is a sizable sitting room with a gorgeous brick fireplace, which even has provisions for a log burner and a separate study, which could easily serve as such or as a home office or even fourth bedroom, if required. Further from this, the country style kitchen/breakfast room offers plenty of storage and provides a great place for hosting leads to a separate utility room and ground floor shower room.

Upstairs, there are three good sized bedrooms, with a master en-suite W.C and a four-piece family bathroom, which is great for a young or growing family!

The Accommodation

Entrance door to:

Sitting Room

With a feature fireplace with provisions for a log burner and door and window to front.

Study

8' 2" x 14' 4" max. (2.49m x 4.37m max.)
