North Finchley, an area located in the London Borough off Barnet between Church End to the south and Whetstone to the north. Formally known as the "North End" for the area of North Finchley and Whetstone, was first recorded in 1462. North Finchley itself did not develop into an suburban area until after the enclosure of Finchley Common after 1816.

Woodside Park Station, was originally known as Torrington Park in April 1872 but renamed a month later. The Station and many bus routes still serve for commuters into and out of London. North Finchley welcomes both families and professionals alike.
