Shared Ownership

Shared Ownership is a great way for you to get a foot on the property ladder if you can't afford to buy a home outright on the open market. It can ease the pressure of needing to save for a large deposit, or having to make high mortgage repayments. Essentially, it means you'll be buying a share of your home - usually up to 75% - and paying an affordable rent on the remainder. When you're in a position to do so, it's also possible to buy further shares in your home. This is known as Staircasing.

Example Share Breakdowns

Shares are available from 10% to 75%. Please see example prices and rents listed below.

40% share - Purchase price £110,000 - Rent Charges of £378.13

60% share - Purchase price £165,000 - Rent Charges of £252.08

75% share - Purchase price £206,250 - Rent Charges of £157.55

Full Property Value £275,000

A monthly service charge will also apply of £75.04. This includes building insurance, grounds maintenance and the management charge.
