Shared Ownership

Shared Ownership is a great way for you to get a foot on the property ladder if you can't afford to buy a home outright on the open market. It can ease the pressure of needing to save for a large deposit, or having to make high mortgage repayments. Essentially, it means you'll be buying a share of your home - usually up to 75% - and paying an affordable rent on the remainder. When you're in a position to do so, it's also possible to buy further shares in your home. This is known as Staircasing.

Example Share Breakdown

Shares are available from 10% to 75%. Please see example prices and rents listed below.

40% share - Purchase price £100,000 - Rent Charges of £343.75

60% share - Purchase price £150,000 - Rent Charges of £229.17

75% share - Purchase price £187,500 - Rent Charges of £143.23

Full Property Value £250,000

A monthly service charge will also apply of £76.66. This includes building insurance, grounds maintenance and the management charge.

Local Connection
