Shared Ownership

Shared Ownership is a great way for you to get a foot on the property ladder if you can't afford to buy a home outright on the open market. It can ease the pressure of needing to save for a large deposit, or having to make high mortgage repayments. Essentially, it means you'll be buying a share of your home - usually up to 75% - and paying an affordable rent on the remainder. When you're in a position to do so, it's also possible to buy further shares in your home. This is known as Staircasing.

Shares are available from 10% to 75%. Please see example prices and rents listed below.

10% Share - Purchase Price £28,500 - Rent Charges of £587.81

25% Share - Purchase Price £71,250 - Rent Charges of £489.84
