1 WOODSIDE FARM COTTAGES

GRIGG LANE | HEADCORN | KENT | TN17 9LU

1 Woodside farm is a detached two storey house, circa early 1900s, formerly part of a pair of semi-detached cottages which were split into two separate properties. No.1 now presents an opportunity to replace with a significant replacement dwelling, taking advantage of the existing simple structure, requiring updating and improvement, together with the good size plot. It is considered the neighbouring residential replacement property has assisted in setting a precedent for the redevelopment. The existing house presents predominantly stained weather boarded elevations, set beneath a pitched slate tiled roof. The existing accommodation is arranged over two floors and includes a sitting room with open fireplace and a double aspect, a fitted kitchen/breakfast room with butler sink, electric oven and hob, an integrated dishwasher, space and plumbing for washing machine, a tiled floor and double aspect. Arranged over the first floor are two bedrooms, bedroom one with built-in wardrobe and a cast iron fireplace, bedroom two also with cast iron fireplace and a double aspect. A bathroom is fitted with a white suite.

Outside, the neatly maintained garden is laid to lawn with trees including cherry, established beech hedging and an open, offroad unmade parking area.
