POTENTIAL FOR OFF-ROAD
PARKING

OPPOSITE STOKE PARK

EPC: D

This semi-detached house would allow the incoming purchaser to update; conveniently located in the centre of town, in a popular road opposite Stoke Park, close by to both London Road and Guildford mainline station.

THE PROPERTY

A classic red brick semi-detached Victorian house that would allow the incoming purchaser the potential to update and extend, subject to the usual consent. The property is located in the town centre opposite Stoke Park, within a short walk of the High Street, London Road and Guildford mainline station.

Accommodation comprises: side entrance with door to hall; living room with bay window and laminate wood flooring; dining room with laminate wood flooring; kitchen fitted with white units and contrasting laminate worktops, ceramic tiled floor and side door accessing rear garden; downstairs bathroom fitted with a white suite comprising bath, basin with vanity unit under, W.C., ceramic tiled flooring and part-tiled walls. Upstairs, there are two double bedrooms, all fitted with laminate wood flooring, with a further bedroom/dressing room through bedroom one.

THE GROUNDS

To the front of the property, there is a front garden laid to lawn with a paved pathway to the entrance at the side. This frontage could allow the incoming purchaser to create off-street parking as other neighbouring houses have done, subject to planning consent. To the rear, the fenced garden is a decent size and offers great potential for someone with green fingers to create something special, as it's currently a blank canvas with some paved areas, an area laid to lawn and flower borders. There is a side gate allowing access to the front of the property.

SITUATION

Guildford is a large and historic county town offering a comprehensive range of shopping, social, recreational & educational facilities and widely considered to be a very desirable place to live. The town is situated on the River Wey, the cobbled High Street paved with granite setts and is surrounded by countryside. Guildford still retains a high street market every Friday and Saturday with monthly farmers markets usually held on the first Tuesday of each month. The town offers a great selection of restaurants, pubs, bars and cafes plus independent and national retailers amongst its attractive streets. Guildford's mainline railway station provides a service to London Waterloo in approx. 35 minutes and there is also London Road train station. The A3 & A31 provide access to the South Coast and the M25 to central London & international airports. Sporting and recreational facilities are extremely well catered for at the Surrey Sports Park and Spectrum Leisure Centre. Guildford lies at the edge of the Surrey Hills Area of Outstanding Natural Beauty, offering miles of hiking, cycling and riding country. There is an excellent choice of both state and private schools in the area serving all age groups and furthermore, the highly acclaimed University of Surrey.
