FERNDEN LANE HASLEMERE GU27 3LA

Price Guide £3,500,000 Freehold

A fabulously elevated country house with tile-hung elevations, is set in tranquil private grounds in a tucked away location, with its own woodland and wonderful views with an outlook across Marley Common and Marley Heights. Fernden Ridge is set in a commanding position on the southern ridge of Fernden Lane. We believe the property was constructed in the 1920's and 25 years ago was fully refurbished and extended.

The property has been meticulously maintained and is presented in beautiful order throughout. Internally there is a large spacious hallway with 4 reception rooms leading off this, a cloakroom and stairs leading to the first-floor landing. The kitchen has been comprehensively equipped with a dishwasher, range cooker and a fitted dresser, a utility room leads off the kitchen which gives access to the rear and all plumbing for the domestic appliances. On the first-floor landing there is a linen cupboard and other cupboards which provide ample storage, there are 5 bedrooms, 4 bathrooms (3 are ensuite). The principal bedrooms have views across the gardens and grounds.

Externally the property is accessed via private electric gate with a sweeping tarmac driveway and ample parking for multiple cars. There is a double garage to the rear of the property, which is fitted with an EV charger there is also a boiler room, cloakroom and a gym/storeroom on the first floor, this could be altered to provide supplementary accommodation. The gardens and grounds extend to 10 acres with the formal gardens being just over 3 acres with sweeping lawns, rose beds and herbaceous borders, mature trees and a combination of hedge and fence boundaries. There is a significant terrace and sun deck around the property, the garden also features a fishpond and waterfall stocked with carp. There are connecting paths to the tennis court and heated swimming pool, with gazebo and store, which contains the filtration unit and air source heat pump for the swimming pool.

On the lower levels of the grounds is Gosdens Copse, which is approximately 7 acres of light and mixed woodland coppice with a woodstore.
