An attractive and well presented modern three bedroom house in an extremely convenient location just a short walk from the town centre, main line station and St Bartholomew's school.

THE PROPERTY

The property was built by Strathmoor in 2006 in an exclusive development of just three properties and rarely do such individual non estate homes come to the market in such a desirable location. The house has a traditional bay front with half tile hanging and attractive brick detailing. On the ground floor is a covered entrance porch leading into the reception hall which has a large under stairs cupboard and cloakroom. To the front, the kitchen/dining room has underfloor heating, a range of units with granite worktops and Neff and Bosch integrated appliances. To the rear of the house overlooking the garden is the sitting room which has a limestone fireplace with coal effect gas fire, walk in storage cupboard and wooden framed double glazed doors leading onto the rear terrace and garden. On the first floor, the main bedroom has a bay window, two pairs of double wardrobe cupboards and an en-suite shower room. At the rear are bedrooms two and three complemented by the family bathroom which has a white suite, chrome heated towel rail and underfloor heating. Off the landing is the airing cupboard containing hot water cylinder and gas boiler.

THE GROUNDS

The property is approached over a brick paved driveway having its own section for parking which leads to the attached single garage that has an up and over door, power and light. A gate to the side leads to the rear garden where there is a sun terrace and good sized lawn enclosed by panel fencing and trellis, the whole enjoying a sunny south westerly aspect.
