This meticulously designed five-bedroom, three-bathroom detached home boasts spacious double bedrooms and a double detached garage. Set against a backdrop of breathtaking open vistas, this property offers an abundance of natural light and a serene atmosphere, making it an ideal family residence. Situated on a desirable road at the top of Haslemere, this property features stunning treeline views overlooking Blackdown and beyond, with convenient access to the adjoining Hindhead Common National Trust land. To enhance natural light and maximize access to the views, the owners have beautifully refurbished and rebuilt the rear kitchen area into a spacious open-plan living experience. At the heart of this space is a bespoke, hand-built Shaker style fitted kitchen, complete with a large island that serves as a centrepiece. The décor exudes a mature atmosphere, complemented by high-quality finishes. The kitchen is equipped with three dishwasher drawers, a steam oven, and a practical integrated larder. Elegant quartz worktops, classic solid wood cabinetry, a boiling mixer tap, and original Devol brackets and handles accentuate both design and functionality. Improvements include an external plant room housing the boiler and pressurized hot water tank, installation of wet underfloor heating throughout the ground floor. Despite being a relatively modern home, the ground floor boasts above-average ceiling heights, creating an airy sense of space. On the first floor, the principal bedroom features a bay window that optimizes uninterrupted views, along with a walk-in fitted wardrobe and an ensuite bathroom, offering both comfort and luxury.

The outdoor space features a landscaped garden primarily laid to lawn, complemented by a zigzag tiered slope that descends to a flat lower section.
