THE PROPERTY

Originally built in the 1930's, the Old Bakehouse has been completely transformed into a sleek, luxuriously appointed bungalow, with a private west-facing garden and air source heat pump and under floor heating. At the end of the central hall is the stunning open plan living/dining/kitchen with double height vaulted ceiling, wood burner and exposed steel joists with fitted downlights. The superb kitchen has quartz worktops and island and a range of integrated appliances, including fridge freezer, dishwasher, integrated induction hob, combination and main oven and quooker tap. Oak effect luxury vinyl tile floors run through all of the ground floor where there is underfloor heating, via the air source heat pump. Two double bedrooms, both have built in wardrobes and ensuite bath/shower rooms, the main bathroom is also jack and jill to the hall. A utilities cupboard is tucked away in the main bathroom with sink, washing machine, tumble dryer and on the first floor is a large fully carpeted loft/bonus room, measuring approximately 31 sq metres. This fantastic conversion is completed by powder coated aluminum double glazed windows and doors, brushed aluminum switches and sockets with smart outside lighting.

THE GROUNDS

A gated pathway leads off West Street to the Old Bakehouse, where a further lockable gate leads into the front entrance area which has attractive stone paving, outside lighting, and entrance door. Double doors lead off the main reception area into the garden and enjoys a sunny westerly aspect and has been designed for low maintenance with natural stone paving, raised beds, cherry and ash trees, paneled fencing, outside electric point, outside lighting and an outside hose tap.
