THE PROPERTY

Valentine Cottage has been carefully and thoughtfully converted from a former commercial workshop and is now essentially a brand new home being sold for the first time and with the convenience of no onward chain. Fully completed, the property is ready for immediate occupation and has been finished to an excellent standard with attractive elevations blending brickwork, light grey render and contrasting dark grey cladding. Completing the contemporary styling are dark grey framed powder coated double glazed windows and wide balcony off the main bedroom. On the ground floor is a hall with stairs leading to first floor and understairs boiler cupboard. The remaining ground floor space is an open plan kitchen/dining/living room with a fully fitted white gloss kitchen including an integrated fridge/freezer, full size dishwasher, washing machine and oven and hob. On the first floor are the 2 bedrooms, fully carpeted and complemented the sleek bathroom with a white suite. Off the main bedroom is the wide balcony enclosed by glass and a steel balustrade.

THE GROUNDS

The property has an integral single garage which has light & power with a parking space in front.
