**THE PROPERTY**

Lavendel dates from the early 1700's and over a period of time has been carefully and lovingly restored by the current owners who have created a beautiful character home. The cottage nestles in a uniquely private position but is also just a short walk from the popular village school, recreation ground and Mill public house. This warm and inviting home is complemented by a fabulous heritage style conservatory, painted in Farrow & Ball, which has under floor heating and panoramic views out over the picturesque well maintained gardens. Also on the ground floor is the sitting room with a woodburner and like the hallway, has beautiful flagstone flooring. The intimate yet spacious snug and elegant dining room, which has an open fire, both have oak floors and lead into the conservatory. The bespoke kitchen painted Farrow and Ball has a Iroko worktops, Italian slate tiles and butler sink, an adjoining larder and a luxuriously appointed ground floor shower /utility room. There are 4 bedrooms on the 1st floor complemented by the main bathroom where a roll top bath continues the period styling, with bedroom 4 currently used as a dressing room.

### THE GROUNDS

Outside, Lavendel has it's own garage which is set off the Camelsdale Road. Private pedestrian access via an electric gate brings you into the oasis like gardens, with a wide shingled path leading to the front door and porch. The whole is enclosed by beautifully maintained hedges with lawns to the front, side and back and a wonderful raised deck, perfectly positioned, to take in the westerly views, ideal for evening sundowners and bbq's with an adjoining Home Office/Summerhouse
