THE PROPERTY

Wey Gardens is small and peaceful cul de sac located in the heart of the popular village of Camelsdale that has it's own well regraded primary school, large recreation ground and shops.

The property was built in 2006 and has been cleverly designed to make the very best use of it's overall space. On the ground floor is an entrance hall off which is a downstairs cloakroom. The living room features a light and neutral colour scheme, stairs to the 1st floor and has a wide opening to the dining area which also open up to the kitchen. This gives and a practical and open flow to the ground floor, with doors off the dining area into the sunny West facing garden.

On the 1st floor are 3 bedrooms with the main bedroom having an ensuite shower room and bedrooms 2 & 3 serviced by the main bathroom. Other features include gas central heating and double glazing.

THE GROUNDS

The property enjoys a tucked away location towards the end of the cul de sac and has a paved covered entrance porch and driveway with parking for one car. To the rear the garden has a lovely sunny West facing aspect and has been predominately paved for low maintenance and easy up keep. There is also brick paving, an outside hose tap and garden shed.
