THE PROPERTY

Oak Side was originally built in the mid 1920's with classic brick and white rendered elevations. The beautifully presented accommodation is light, airy and well balanced with the sitting room and kitchen all looking out over the beautiful rear garden. The double aspect sitting room features a bay window and open fireplace, with a family room semi-open plan, to the solid pine kitchen. The dining room enjoys a front aspect, continuing the bright and well lit theme, off which is a handy boiler cupboard /pantry. Completing the ground floor is the utility room and cloakroom. On the first floor are four bedrooms, with bedroom one having a smart re-fitted ensuite shower room and bay window providing stunning distant views. Bedroom two enjoys the same aspect and views, and alongside, bedrooms one, two and three have built-in or fitted wardrobes. The re-fitted family bathroom completes the first floor accommodation. The house has double glazing, gas central heating, and has a huge amount of scope for extensions and enlargements subject to planning permission.

THE GROUNDS

Oak Side has a rare combination of established level and private gardens, in total the plot is just over 1/4 acre. There is the advantage of plenty of parking, both in front of the double garage and the property itself, which has a separate driveway. The main area of garden has stunning, and well maintained borders and hedges providing excellent privacy and a large area of lawn. To the side of the house is a circular paved terrace enclosed by laurel hedging.

SITUATION

The property occupies a desirable position within easy reach of the town centre and mainline station. Haslemere offers a variety of shops and boutiques including Waitrose, M&S food, Tesco, WH Smith, Boots and Costa. The Georgian Hotel (Coppa Club) and Lythe Hill Hotels both have spas, and there are two sports centres, Haslemere Sports Centre and The Edge, with a recreation ground which is very close by. Golf can be enjoyed at Hindhead, Blackmore and Cowdray Park. The mainline station provides a fast and frequent service into London Waterloo from 49 minutes, and the A3 connects to the M25 and motorway network. There are excellent schools for all ages both state and private, and the area as a whole is surrounded by beautiful countryside.
