An excellent opportunity to acquire an idyllic two bedroom, sandstone semi-detached cottage situated in the pleasant village of Carronbridge, within a few miles of a wide range of amenities in Thornhill. The property is complete with off-road parking, large elevated gardens to the rear of the cottage and roughly 0.16 acres of private amenity woodland. The property is in fair condition throughout but does require modernising and briefly comprises of an entrance hallway, living room, kitchen, bathroom, laundry room and two double bedrooms on the first floor.

The Accommodation

The front door opens to a spacious hallway with doors leading to the living room, bathroom and there are stairs to the first floor. There is a useful cloak cupboard in the hallway. The living room is generous in size, featuring an open fire in the centre of the room set on a tile hearth with tiled surround. There is a small room to the right of the fireplace where the boiler is located and some shelving fitted to the walls for additional storage use.

The kitchen is fitted with good quality wall and floor units, complete with partially tiled walls and an integrated single bowl stainless steel sink with mixer tap. There is space for several white good appliances and portable cooker. The family bathroom is located on the opposite side of the cottage and is complete with WC, wash hand basin and bath with electric shower over.

There is a laundry room off the bathroom where there is plumbing for a washing machine and some shelving above. On the first floor there are two double bedrooms with dormer windows at either side of the cottage. There is a storage cupboard on the stairwell.

Outside there is parking available at the front of the cottage. To the rear there is a large elevated garden which is mostly laid with grass. The garden can be accessed via steps at the side of the cottage. There are a variety of mature trees and plants already present but the size of the gardens creates a fantastic opportunity for someone to landscape or installed some raised decking. There is also roughly 0.16 acres of woodland included in the sale. The north and east of the sale subjects are bound by a fence, the western boundary is mostly the wall at the front of the property which leads alongside the public road.

There is scope to possibly demolish part of the wall to create a private driveway for additional parking. A large timber shed is being sold with the property. Given the suitability to first time buyers, investors or retirees, viewings are highly recommended to fully appreciate the accommodation on offer.
