**C&D Rural**

An excellent opportunity to acquire a new build three bedroom detached bungalow, built to an impressive specification with the highest quality fixtures and fittings throughout. The development will consist of four detached bungalows with single garage, generous gardens and outstanding views of Castle Loch.

These exceptional detached properties have been finished to an exemplary level. The ground floor is finished with a superb engineered oak flooring throughout the living spaces and carpet to the bedrooms. They bungalows benefit from both advanced air source heat pump and solar for the latest in sustainable living.

### **The Accommodation**

The front entrance welcomes a spacious porch with inner door leading a bright and spacious central hallway. The living room is the perfect room for entertaining, with a large window to the front elevation and woodburning stove set within a brick fireplace.

Continuing through, the hallway connects to a bright and spacious open-plan kitchen/diner. The kitchen is fitted with modern kitchen cabinets, finished with a white quartz stone worktop and integrated appliances. Patio doors connect seamlessly to the private rear garden, bringing the outdoors in and creating an ideal space for gatherings in all seasons.

A practical utility room sits just off the kitchen, with direct access to outside, helping to keep everyday living simple and organised.

Perfect for modern family living but with the extra, separate spaces expected for a family home of this calibre. The properties have three generous bedrooms. The master suite is impressive with a stylish ensuite. All the bathrooms are fully tiled in luxury ceramic and porcelain.

Externally there is a generous and private rear garden, landscaped and finished with quality paths and patio. To the front, landscaped gardens and a neat driveway enhance the home's kerb appeal. There is off-street parking available and access to a single garage with electric doors.

### About The Developer

The builders of this exclusive development are KLLC Contracts who are a family run company and have been delivering quality homes for over 3 decades. Based in Ireland, they have completed upwards in 500 bespoke homes across multiple developments through Ireland and the UK, each one carefully finished with the personality of the homeowner in mind. Their longevity in the industry can be accredited to the relationships they form with their buyers in helping them along the journey of delivering their forever homes.

### Location Summary

The building plot is located on the Lochmaben to Annan Road, and is approximately eight miles from Dumfries and five miles from Lockerbie. There are a range of shops and amenities in Lochmaben including a primary school, medical practice, dentist, sailing club, public houses and an 18 hole golf course. A wider range of shops and services are available in nearby Lockerbie and Dumfries. Communications to the area are excellent with train stations at Dumfries, Carlisle and Lockerbie, the latter having direct connections to Edinburgh (1hr), Glasgow (1hr) and London (4hr). The M74 motorway network is available at Lockerbie, and Carlisle can be reached in approximately 30 minutes. Glasgow is around 80 minutes' drive and Edinburgh, about 90 minutes.

## PROPOSED MAINTENANCE REGIME

### Year 1 establishment (planting year)

- Rise to any work, erect protective fencing to protect existing vegetation and root zones.
- Carry out planting between November and March.
- Plant trees in prepared pits backfilled with topsoil, fertilizer and soil conditioner, in accordance with manufacturer's recommendations.
- Support and protect trees with double stakes.
- Protect hedgerows from cattle with stock proof fence.
- Slow grow seed or key turf on prepared bed during correct climatic conditions, and mow as necessary to achieve thick sward no higher 75.

### Years 1 - 5, each year (maintenance)

- Keep grass short around bases of trees with mowing, herbicides and / or mulch mats, as appropriate.
- Inspect tree trunks, stakes and shrouds / guards, loosen and remove as necessary with all being removed by year 5.
- Prune and / or hedgehedges as necessary once a year to develop dense, evenly shaped hedgerows.
- Replace any trees or shrubs which are dead or failing to thrive in the winter of each year.
- Mow grass areas as required to ensure sward does not exceed 50mm.
- Water trees, hedgerows, hedges and shrubs if drought conditions occur.
- Inspect and maintain stock proof fencing.
- Replace any trees and shrubs which are dead or failing to thrive in the winter of each year.

### Ongoing maintenance operations (beyond 5 years)

- Grass: keep grass short around bases of trees with regular mowing.
- Hedgerows: regular trimming to ensure dense, neat shape, laying as required.
- Tree: prune as necessary to maintain good shape and to avoid disease, overcrowding, or low canopies.
- Cope: not as necessary as trees mature, and to ensure good conditions for slow growing and longer lasting specimens which will form a long term backdrop for development, and setting for wider built up environment.
