

48 Caslon Court, Somerset Street, BS1 6DD

£1,250 PCM

If you want to live right in the middle of everything, this one-bed in Caslon Court is a bit of a gem. Temple Meads, Queen Square, the Harbourside — all just a short walk away. Perfect if you want the city on your doorstep.

The flat has recently been refurbished and comes with a bright living room, a proper double bedroom, a separate kitchen, and a bathroom with shower. It's offered unfurnished but includes all the essential white goods. And yes — the rumours are true — it comes with an allocated parking space. In central Bristol, that's basically gold dust. There's also a lovely communal courtyard for a bit of outside space, and the development is always in high demand. If you're a single professional or a couple looking for a cool, super-central home, this one's definitely worth a look.
