Upstairs benefits from a principal bedroom with an en suite, three further double bedrooms, and a family bathroom with a separate shower. This home also offers a single detached garage, a private driveway, and front & rear gardens.

All David Wilson Homes come with a 10-year NHBC Buildmark warranty – this means they have complied with the NHBC Standards which set out the technical requirements for design, materials and workmanship in new home construction. So you can buy one of their spacious new homes with confidence.

David Wilson Homes use highly thermally efficient insulation and argon-filled double-glazing as standard, which allows the heat from the sun in whilst minimising heat loss. So no matter how cold it is
