The Exeter is a four-bedroom family home with an open plan kitchen-diner with a glazed bay and doors to the garden. There's a handy adjoining utility room with plenty of storage. The bay-fronted lounge is full of natural light. If you work from home, you'll love the study. Upstairs, the large main bedroom benefits from an en suite shower room. Three further double bedrooms share the family bathroom, which has a separate bath and shower. This home also offers a double detached garage and driveway.

All David Wilson Homes come with a 10-year NHBC Buildmark warranty – this means they have complied with the NHBC Standards which set out the technical requirements for design, materials and workmanship in new home construction. So you can buy one of their spacious new homes with confidence.

David Wilson Homes use highly thermally efficient insulation and argon-filled double-glazing as standard, which allows the heat from the sun in whilst minimising heat loss. So no matter how cold it is
