Extending to just under 2500 sqft and benefitting from both gas fired central heating and double glazing, the accommodation currently in brief comprises of a traditional panel entrance door opening to a large reception hall with sash window to front, staircase to first floor with under-stairs cupboard and door to shower room. A study has window to front and double doors from the reception hall open to a formal dining room, creating a wonderful space for entertaining with two sash windows to front and French windows to side. The sitting room is an elegant reception with a fine marble fireplace taking center stage complemented by windows to rear and French windows to side leading to the terrace. The particularly well-equipped kitchen breakfast room is fitted with an extensive range of units providing plenty of drawer and cupboard space beneath Granite preparation surfaces, whilst complemented by built-in appliances and central island. A separate utility room completes the ground floor accommodation.

On the first floor is a beautiful galleried landing with two windows overlooking the front gardens and doors leading to the bedrooms. The principal suite includes a dressing room with fitted wardrobes and a luxurious en-suite shower room. The four remaining bedrooms are all of a good size and served by a spacious family bathroom with shower and free standing roll top bath, completing the first floor accommodation.

## Outside

The house is approached along a gravel drive providing extensive vehicle parking, turning space and access to the detached double garaging. The rear gardens are a generous size, again being mostly laid to lawn with shrub and mature tree borders whilst providing the occupants with a good degree of privacy.
