Offers Over £675,000

Newly remodelled detached four bedroomed family home enjoying a delightful setting within a small Suffolk village. All in about one third of an acre.

Built of traditional brick construction beneath a tiled roof, this beautifully presented four-bedroom detached family home has undergone significant improvement in recent years with an excellent attention to detail with works carried out including a stunning new open plan kitchen that has been remodelled with no expense spared, beautifully engineered oak flooring to the ground floor, exterior Cedar wood cladding, landscaping the rear patio and internal decoration. The overall plot measures approximately .033 of an acre and offers generous frontage that could allow for the building of a detached garage/cart lodge to the southwest section of the plot. Planning permission has been approved for a large 5m x 7m garage with patio doors to the rear aspect, with the view of then converting the current garage to further living accommodation.

Benefitting from oil fired radiator central heating and no onward chain, the well presented accommodation comprises a bright and airy reception hall with stairs off to first floor and access to the cloakroom.

The stunning remodelled "live in" kitchen/breakfast room is ideal for entertaining with striking central island/breakfast bar with stunning natural stone Quartzite worktops with inset electric hob and lighting under. Plenty of fitted cupboards and quality built in appliances include an oven, oven/microwave dishwasher & wine cooler. Space for American style fridge/freezer. This room flows beautifully into the sitting room with double glazed doors to the front and rear aspects and feature inset bio-ethanol fire. A separate dining/family room is a lovely spacious reception with a beautiful herringbone floor and large window to front. The utility room off the kitchen completes the ground floor accommodation.

On the first floor is a spacious landing with a light and airy atmosphere and with airing cupboard. Doors lead to the four bedrooms including the principal bedroom with wall to wall fitted wardrobes incorporating recess for wall

mounted TV. This room is complemented by an en-suite shower. The three remaining bedrooms are served by the family bathroom, completing the first floor accommodation.

Outside
The front of the property is enclosed by hedging offering privacy and is entered via a five bar wooden gate. There is ample driveway parking and a turning circle that leads to an adjoining double garage with up and over door and has power & lighting (planning application currently in and awaiting decision for a garage in front garden). There are areas laid to lawn with mature trees and shrubs, and a patio area easily accessible from the sitting room. The rear garden is accessed via a small gate to the right of the property or 5 bar wooded gate to the left. The rear garden offers privacy with mature trees and hedging. An approx 75 square meter bespoke colour resin patio, with outdoor lighting creates an ideal area for outdoor entertaining and al-fresco dining.
