

Wayside, 155, Prestwood, Buckinghamshire, HP16 0HJ

*An immaculately presented four-bedroom, detached family home set well back from the road with a large, level garden and enjoying lovely views from the rear, first floor bedrooms.*

**Entrance hall | Sitting room | Garden room | Cloakroom | Refitted Kitchen | Utility room | Dining room | Four bedrooms | Two bathrooms ( one en-suite) | Self contained annexe | Large driveway with parking for multiple cars | Level rear gardens**

"Wayside" is presented in walk-in condition. Every room is beautifully presented and spotlessly clean. The vendors have gone to enormous trouble and expense to upgrade the house with triple-glazed windows, ensuring the house is warm in winter, cool in summer and deadens any potential noise ingress from outside.

The property enjoys an abundance of natural light throughout. The property is approached across a wide and deep, brick paver and gravel driveway with ample storage for timber for the log burner and wide, high gates giving side and rear access under a car port. On entering the house the hall and sitting room are both fitted with continuous, honey-coloured, oak strip flooring. Stairs from the hallway rise to the landing above and there is a coats' cupboard and immaculately refitted cloakroom.

The sitting room is double aspect with a feature fireplace containing a log burner and a set of bifold doors link the main house to the garden room beyond. Originally a sealed unit conservatory the garden room has a solid, tiled and insulated roof with Velux windows on the south elevation. The nearby kitchen has been refitted in a stylish range of cream gloss units, Silestone worktops and includes quality appliances such as a six burner, gas range cooker and matching cream-wrapped American-style fridge freezer. A door from the kitchen leads to an inner lobby with doors to the formal dining room and utility room, which houses the gas boiler and consumer unit, has ample space for a washing machine, drier and extra fridge plus extra, matching floor and wall units. A second door leads into the formal dining room.

Upstairs, there is loft access and an airing cupboard on the landing. A short passageway leads to the double aspect, master bedroom with dressing area and refitted, ensuite shower room. There are three further bedrooms and a family bathroom which is fitted with a suite comprising square ended shower bath with Aqualisa shower over, back to the wall W.C. and vanity unit. All rear aspect bedrooms have lovely views across the paddocks to the ancient woodland beyond.

Outside, the level, rear gardens are approximately 140 feet long and laid mainly to lawn bordered by mature hedging. There are two sheds: one a compact garden shed and the other a substantial 18' x 8' shed with power. The brick-built garage was converted some years' ago into a separate, detached annexe comprising of kitchen/sitting room, downstairs bathroom and upstairs bedroom.
