Originally the old vicarage and dating from the 1800s, the property was converted about forty years ago by Soden builders to provide a comfortable, well-planned home. The property is tucked behind the church and is conveniently located for access to local footpaths and the lovely Chiltern countryside. Access to the property is along a gravelled driveway beside the church. Number 4 is located in the main building and accessed via a pair of solid, oak doors into a flag-stoned entrance hall.

The front door is on the right and opens into the hallway of the property. All the living accommodation is to one side and the bedroom accommodation to the other. The main sitting room is on the right and has a feature fireplace and windows overlooking the central courtyard and front. The kitchen is adjacent to the living room and is fitted with a range of medium oak kitchen units with space and plumbing for a dishwasher and washing machine, a built in electric oven and electric hob. Further along the corridor is a cloakroom which is fitted with a white W.C. and basin. The two double bedrooms are at the far end of the house with the smaller of the two rooms having an ornate stone window with original float glass overlooking the neighbours' garden beyond. The larger bedroom is fitted with a range of wardrobes and is double aspect. The family bathroom is fitted with a white suite comprising of W.C, basin and bath with shower over.

Outside, there is a communal, paved courtyard that can be used by the occupants of number 4. There is a single garage and parking space plus additional non-allocated, visitor parking close to the front door.
