November 2020

Certificate Number: 21032461

Dear Mr Ames

Important Gas Safety Information

Please find overleaf your Buildings Regulations Compliance Gas Safety Certificate, please keep it safe.

This certificate confirms that the work recently undertaken at your property has been carried out by a Gas Safe registered business. The installing business has declared that the work complies with the Gas Safety (Installation and Use) Regulations and meets the relevant buildings regulations.

It is a Government requirement for home owners in England, Wales and Isle of Man to notify their local authority building control of any relevant building work carried out at their property.

Your engineer has told Glow-worm of your recent installation. As part of our agreement with Gas Safe Register they have notified your local authority building control on your behalf.

Please check that the details on the certificate are correct and if they are not please contact your engineer to request another certificate.

If you require further assistance please contact us on 01773 828100.

Yours faithfully

Glow-worm

Gas Safe Register is a registered trade mark of the HSE and is used under licence

BUILDING REGULATIONS COMPLIANCE

This is a Building Regulations Compliance Certificate:

It confirms the work detailed below has been carried out by a Gas Safe registered business. It is also confirmation from the business that the work:

- was carried out in accordance with Gas Safety (Installation and Use) Regulations, as well as all other relevant industry standards
- has been self certified as being compliant with Section 4 and 7 of the Building Regulations in England, Wales and Isle of Man. This certificate is evidence, but not conclusive evidence, that the requirements of the building regulations have been complied with.

It is a legal requirement for anyone carrying out gas work on your behalf to be Gas Safe registered, please remember to check your engineer's licence card before you have any gas work carried out.

Registered business can self certify that their work complies with building regulations requirements in England, Wales and Isle of Man. This assists you in complying with your obligation to notify your local authority building control as the property owner, and this certificate confirms this notification has been done for you.

Thank you for using Gas Safe registered business. Gas Safe Register recommends that you have your gas appliances checked for safety annually.

If you have any questions about this certificate please contact the certificate issuer on the details in the bottom left hand corner of this certificate.
