The property is entered via a modern composite and glazed panel door into the entrance hallway, with a generous store cupboard to the left hand side benefitting from power and tiled flooring, a useful open understairs storage area, laminate wood flooring and doorways leading to the lounge and kitchen.

The lounge is a bright and spacious room, with a window to the rear providing light and views of the garden. The room offers a focal feature fireplace to one wall, alcove shelving and fitted carpet throughout. A set of wooden and obscure glazed doors to the front of the room provide access into the dining area. The dining room features a window to the front, an ornate feature fireplace to one wall and fitted carpet.

The kitchen is located to the rear of the property and has been fitted with a matching range of wooden base and wall mounted units, with a light laminated work surface over. There is space and plumbing for

two appliances and a freestanding cooker (included). The room offers a continuation of the same laminated flooring as the hallway, a window to the side providing light and views over the courtyard area and a doorway at the rear leads into a rear hallway. The rear hallway makes an ideal space to store all the tall domestic household items, with shelving to one side and a doorway to the left providing access into the garden. A doorway to the right hand side of the hallway leads into the ground floor shower room. The room has been recently upgraded and includes a contemporary white three piece suite comprising; double shower cubicle with full glazed shower screen and a mains powered shower fitted, vanity wash hand basin with cupboard storage below and low level WC. There is full height tiling to all walls, an obscure glazed window to the rear and and laminate wood flooring.

To the first floor the landing gives access to all three double bedrooms. The two largest bedrooms are situated to the front and side of the property, each benefiting from fitted carpet flooring and windows to the front and rear. The third double bedroom benefits from a window to the side, built in storage cupboards, a free standing enclosed shower cubicle and a private en-suite cloakroom.

Outside to the front of the property is a well maintained courtyard garden laid to paved patio, with a half height wrought iron gate for access from the roadside and bordered by a brick half height wall. To the rear, the generous and relatively level rear garden has been beautifully landscaped and maintained. The garden is mainly laid to lawn with a vast array of mature plants and shrubs and a concrete side pathway leading to the end. At the end of the pathway are two outbuildings, one previously a dog kennel and the other a single garage. Both buildings are in need of repair but would make an ideal area to position a hard standing for parking if flattened, with convenient rear lane access.
