The property sits on a generous plot, offering beautiful landscaped front and rear gardens, all easily accessible due to the property being in a level plain. All local amenities are accessible on foot and it offers convenient commuter access to the A465 link road.

The property is entered via a UPVC and glazed panel central door into the hallway.

The hallway offers fitted carpet flooring and has doorways leading to the sitting room, lounge/diner, front bedroom, rear bedroom, a generous storage cupboard and the shared shower room.

The sitting room to the front of the property offers a versatile space, as the room could be utilised as a third bedroom. At present, it offers fitted carpet flooring and a UPVC double glazed bay window to the front.

The lounge/diner is positioned towards the rear of the property. This generous sized room offers fitted carpet flooring, a UPVC double glazed window to the side and a doorway at the rear giving access to the kitchen.

The large kitchen has been fitted with a matching range of contemporary base, larder and wall mounted units, with a light laminated wood effect worksurface over. It offers space for fridge/freezer, a free standing electric cooker with electric hob, a stainless steel sink unit positioned below a UPVC double glazed window to the side and features space for integrated washing machine. The room has full splashback tiling to walls, tiled flooring and offers a UPVC glazed panel door at the rear, providing access to the garden.

Currently both bedrooms within the property are comfortable double bedrooms, each offering fitted carpet flooring, UPVC windows and an abundance of built in wardrobe storage.

Both bedrooms share the use of the adapted wet room/shower room. It has been fitted with a modern white three piece suite comprising: shower area with a fully glazed shower screen and a wall mounted fold down seat, a low level WC and a pedestal wash hand basin. There is full height tiling within the shower space, a fully water tight level floor and an obscure UPVC Double glazed window to the rear.

Outside to the front of the property, a beautiful courtyard front garden offers a variety of mixed plants and shrubs, with stepping stone pathway leading from the wrought iron double driveway gates to the front door. The level driveway extends the full length of the property, offering ample off road parking and leads to the rear garden and detached garage. The garage retains a traditional up and over garage door with a separate pedestrian door to the side. The rear garden is a generous area, laid mainly to lawn and offering a variety of mixed plants and shrubs to the borders.

The garden is fully level with concrete level pathways allowing easy movement around the area.
