The spacious and light lounge is located to the rear of the property, enjoying views of the beautiful landscaped garden via a set of UPVC double glazed sliding patio doors. The room offers laminate wood flooring and features an art deco inspired stone fireplace with an electric fire fitted to one wall, extending the full width of the room to provide a large mantel with display alcoves. Wooden and glazed panel sliding doors to the side leads through into the dining room. The dining room has a continuation of the same wood laminate flooring and offers a UPVC double glazed window to the front. The room can comfortably house a large dining table and chairs, with a wooden sliding door to the side offering convenient access into the kitchen.

The kitchen has been fitted with a matching range of solid wood base and wall mounted units, with a light marble effect laminated work surface over. It offers an integrated electric oven with four burner gas hob, provides space for two appliances, is fitted with a stainless steel sink positioned below a large UPVC double glazed window two the front and benefits from tiled flooring.
