Land

Llwynycelyn Farm comprises approximately 475.20 acres of extensive grazing, improved pasture with pockets of woodland. A large proportion of the farm benefits from improved pasture which has been farmed in rotation of root crops, whole-crop silage and grass.

Much of the pasture has been drained, resulting in productive grazing considering the elevation and topography. The land benefits from natural water sources and is well-suited for sheep, cattle and fodder production. The area surrounding the stable block offers excellent, well-draining grazing for horses.

The less productive areas are located to northern and eastern areas of Llwynycelyn Farm. Part of Lot 1 and Lot 7 is subject to an oversail from a proposed wind turbine due to the erected.

The property is accessible from the farmyard via a network of farm tracks which have been installed by the current owners which provides good access throughout the holding.

The current owners have established a thriving livery yard at Llwyn Celyn Farm, offering stabling for 36 horses and generating a substantial income. Ample parking is available in front of the stables to accommodate horse boxes, trailers and visitors.

A recently constructed sand arena provides a valuable training and lunging area for horses year-round. Conveniently located adjacent to the stables, this is a valuable addition to the livery yard.

The paddocks surrounding Llwyn Celyn Farmhouse and Y Breuandy are gently sloping with a southern exposure, providing excellent turnout and grazing for horses or livestock. The well-draining soil allows horses to remain outdoors year-round.

The bridleways offer extensive access to scenic rides through the farmland and into the nearby forestry.

The farm yard offers a large hardcore and concrete area providing perfect agricultural uses and storage. The large range of farm building have been used for cattle and sheep purposes.

The soil types vary on Llwynhelyn Farm but include very acid loamy soils with a wet peaty surface, freely draining acid loamy soils over rock and slowly permeable seasonally wet acid loamy and clayey soils.

Internal stock proof fencing comprising of a mixture of sheep fencing and stone walls.

The 2024 Basic Payment Scheme (BPS) payment and entitlement are not included in the sale.

Services

Mains electricity and water are connected to the farm buildings.

Prospective purchasers are advised to make suitable enquiries of Dwr Cymru Welsh Water as to the availability and cost of obtaining an individual metered mains water supply in the event that the farm is sold in individual lots.
