Bonnie Banks, as it is known, comprises an individual detached house believed to date back to the 1950's/early 60's occupying a splendid plot in a 'leafy', well screened location just outside the village.

Special features include a sociable kitchen/diner with soft seating at one end, a separate dining room for more formal entertaining and a super, double aspect sitting room with an open fire from and a lovely south westerly aspect. In fact from virtually every room in the house there is a view, either across the garden or over the rolling hills and farmland looking towards Sutton Bank Top from where there are spectacular sunsets. An open staircase and spacious landing leads to 3 double bedrooms and a fully refurbished bathroom with shower cubicle and bath. Storage space is in abundance with a utility/laundry room off the kitchen and readily accessible rooms above the garage creating valuable space for life's every day paraphernalia as well room for an office if needed.

The property is approached via a gravelled drive leading to a turning area and plenty of parking space. The surrounding garden is completely private and largely laid to lawn, divided in parts with mature, neatly manicured hedging. During the warmer months the garden is pretty much in full sun from mid morning onwards. On it's western boundary there is gated access to approx. 8.5 acres (3.54ha) of pasture, well suited for grazing livestock which will no doubt appeal to those with equestrian and/or smallholding interests.

In summary, a versatile property with all the right elementsa good house, a readily accessible location with privacy, an established garden, land, terrific views and no onward chain!
